All unauthorized items brought to school and confiscated by staff may or may not be returned directly to the student. Parents may recover confiscated items not held in evidence upon administrative approval within a reasonable amount of time. Items not recovered within a reasonable amount of time may be discarded. **The Woodland Joint Unified School District or any individual is not liable for damage or loss to these confiscated items.** The primary objective of requiring student not to bring restricted materials to school is to ensure students' focus on educational tasks, students' safety, and to prevent the loss or damage of private property.

The sequential discipline standard was developed for all schools within the Woodland Joint Unified School District and outlines the consequences for inappropriate student actions, which have been referred to a school administrator. It should be noted that although the Sequential Discipline Standard affords a framework for dealing with inappropriate student behavior in a comprehensive and consistent manner, each disciplinary issue will be reviewed within the context of its unique circumstances and the educational needs of the student. Each administrator must use her/her judgment in applying the provisions within the limits stated. Situations not specifically addressed in this plan or unusual or extreme cases will be dealt with in accordance with District policy and the California Education Code 48900.
